

From the White's

We praise God for your thoughtfulness of praying for this mission during these cold winter months. Along with the cold came the holidays in which we celebrated with thanksgiving. Thanks to you we were able to put a turkey on the table and acknowledge a God that knew what we needed and placed these things upon your hearts. In spite of the snow we were able to visit the many homes of the children who come here each and every Wednesday. We were able to share the bounty of the Lord's providence with gift cards and Christmas candy that were sacked along with an apple and an orange. A couple of our teachers had the teen youth measure the right amount of goodies to fill over a hundred sacks. We could have used more, but we had the right amount that matched the funding. The reason for the gift cards is that none of our teachers wanted to brave the blizzard to go shopping.

We also want to thank you for the cards and the monetary gifts we received for our birthdays of which came in December. Victor wants to say a big Thank You to those who kept him from starving.

Thanksgiving Dinner Celebration

The scrumptious Thanksgiving dinner took place the Sunday before Thanksgiving Day. Everyone was present after the morning service, therefore, we had a nice crowd. All people brought food for the Thanksgiving Festival and we had a good time and a lot to eat. The Lord gave us every thing we needed to eat.

Indian tacos, soups, and desserts fund raiser

A fundraiser for the playground equipment was held in the form of a supper. It included some tasty Indian tacos, corn soup, Kickapoo soup, and plenty of delicious desserts. This was our first one in a long time, but we had a good crowd and plenty of conversations surrounding the Lord.

Christmas Party cancelled

The Christmas Party had to be cancelled due to bad weather. It was to be a narration of the Christmas story with the main members played out by the children. However, there was gift cards for food and bags of candy given out to all the children (see the above note on the White's).

Classes continue as planned

All classes continue as planned and are preaching Christ. Although we have had periodic absences from some of the teachers and inclement weather, classes have been held and His Word goes forward. We thank Him for His grace and planning.
